

Hey You Jingle Bellers,

Rain or shine, the races will go on. Santa is making a special stop at the Reservoir to water and feed his reindeer at 10:00 am and said he would love to help with the Kids Dash.

Couple of Really Important Things to Remember:

The gates into the Reservoir will close at 8:20 A.M, no matter what, and will not reopen until 9:30 am for your exit. There will be walkers and runners on the Old San Pablo Dam road finishing up. So please respect this, take care, go slow, and watch out for them. If you have someone picking you up. Tell them not to come before 9:30 am because the gates will not be open. Give yourself plenty of time to wind down the 1.5 mile road leading into the parking lots.

The 10K Runners will start at 8:30 am promptly. Course instructions will be given at 8:15 am. There are two aid stations for you, one at the 5K turnaround and one on top of the hill at the half way point. Water and Electrolyte drinks will be served at both stations.

5K Runners will start at 8:35 am. Course instructions will be given at 8:15 am.

Santa Dash will be at 10:00 am, but we will be considerate of Santa's schedule, so give or take a few minutes.

When you finish your race there will be Two Laptops with results, use your bib number to get results. There will be a custom finisher medal for each racer and if you check the results and finish 1st, 2nd, or 3rd in your age group you can pick up your award as soon as they are posted.

For Parking, we have 3 lots. We will have attendants to point you in the right direction. The big lot by the start-finish line is where we will direct anyone with children in their vehicle because most of you will be staying for the Santa Dash more than likely. That will make you the later ones to leave. The Santa Dash is at 10:00 am. The other two lots will be for all others.

There are 13 bathrooms in the main parking lot at 3 locations.

Registration opens at 6:45 am. We will ask your last name in order to find your bib. You will pick up your bib at the PRE-REGISTRATION table and then go to the T-Shirt table to pick up your Stocking packed with your T-Shirt and your bells. The containers will be labeled by T-Shirt size. Check your bib label if you don't remember what size you ordered.

Both courses are on our web site, www.wolfpackevents.com, routed in maps. Slower runners, please migrate to the back of the pack. There will be both serious and competitive runners, those in training to be a competitive runner, and those who are getting a great workout, but at a fun pace. We welcome all of you!

See you Soon and Thank You for Coming Out!
Wolf
